Minimise Your Risk has extensive experience with risk management and training to the driving industry.

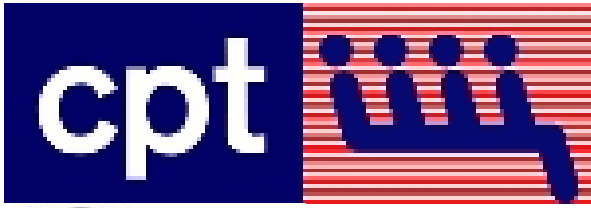

We can provide general and bespoke training courses for Coach and Bus drivers to help them keep up to date with current legislation.

Minimise Your Risk was the first training company to be registered with JAUPT (Joint Approvals Unit for Periodic Training) and we can now offer Driver CPC for LGV as well as PCV drivers.

Our first LGV course was delivered to truck drivers on 10th September 2009, when periodic training commenced for cat 'C' licence holders.

We can also provide various booklets and equipment, please see our online shop.
